STORM FROSTS AREA

AFTER A WILD TUESDAY NIGHT, THE FIRST SNOW OF THE SEASON COATED TREES AND FOLIAGE IN A CRISP, WHITE COAT. THE STORM WAS FIERCE WITH SLEET, HAIL, RAIN AND SNOW. UNFORTUNATELY, THE CHURNED BAY THREW SEVERAL SEASONS SUPPLY OF SEED SCALLOPS UP ON THE BEACH, AN EVENT WITH FUTURE BAD NEWS FOR BAY SCALLOP FANCIERS.

THE SNOW AND ICE COVERED TREES TURNED EVERY SPECIES INTO BIRCH LOOK-ALIKES MAKING FOR SOME VERY BEAUTIFUL SCENES IN THE CALM AFTER THE STORM.

Mattapoisett Selectmen's Meeting

NOVEMBER 18, 1986-by VIRGINIA ARRAL

POLICE CHIEF REQUESTS ADDITIONAL OFFICER

The request of Police Chief James F. Moran for the Selectmen to consider the appointment of a full-time police officer to replace five part-time or reserve shifts will be referred to the Personnel Board for its recommendation before taking action.

Chief Moran's letter read at last week's Selectmen's meeting noted there are presently seven reserve shifts per week that are filled by part-time officers. "The problem I have is two-fold", the Chief wrote. "First, is the scheduling of reserve officers, and second, keeping them certified as EMTs. In the past year or so, four reserve officers who were working regular shifts failed to recertify as EMTs. By putting on a full-time officer, I can fill that void, where there are not EMTs working. The funds for a new officer would come out of salaries and wages of this year's budget."

Additionally, the Chief wrote, "I have 16 reserve officers and I could use one or two more, but need to replace some of those reserve shifts with a full-time officer. The work for reserve officers would be two shifts per week, plus all vacation

QUESTION:

HOW DO EMPLOYEES & COMPANIES BENEFIT FROM CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: With higher performance and more productivity.

When a worker is sidelined because of a health problem, everybody loses.

The company loses a valuable employee which could mean a loss of production. The worker loses self-confidence in addition to suffering pain and disability. The family unit loses part of its income so important to maintaining a standard of living. The union loses part of its health and welfare fund in payments and other benefits.

Obviously, there is no way of eliminating on-the-job and off-the-job injuries entirely. But it would be helpful and less costly for all if time for recuperation could be reduced.

Chiropractic can reduce time off. In fact, comparative studies of Workers Compensation cases from a number of states prove chiropractic's effectiveness in getting injured employees on their feet faster.

Imagine the advantages of eliminating hospitalization. Being treated on an out-care basis. Not being subjected to the hazards and expenses of drugs and surgery.

Here's what you can do:

- Get to know the chiropractic health method and its benefits.
- Make chiropractic services available to employees in any health and welfare or insurance program with which you are associated. Insist upon it.
- Recognize the importance of structural health. One of the best safeguards against illness and disease is to practice a program of health care which includes chiropractic spinal examinations.

Chiropractic health care makes sense—in terms of people and money.

time, compensation time, Water Street beat, and any other replacements that are needed such as Harbor Patrol and third party details. I feel the addition of a full-time officer would help solve some of the problems in scheduling and be an asset to the department. Reserve officers have a good working span of two to five years, after that or even before some lose interest and don't want to work some of the shifts, such as 8 a.m. to 4 p.m. or 12 to 8 a.m., or weekends and holidays."

Selectmen Chairman John N. DeCosta said the Personnel Board will be asked to expedite the matter so Selectmen can consider the request as soon as possible.

In other business, Selectmen:

property is owned by Stanley Panek who did not attend the hearing but submitted a letter giving his approval of the sign.

There were no objectors. Selectmen only wanted assurance that the sign will not interfere with drivers' ability to see the traffic on Route 6 when exiting from Reservation Road, not interfere with the vegetable stand business. Mrs. Townsend noted the sign will not hinder either of these concerns.

WILL DEFER ACTION on a letter received from Attorney Daniel C. Perry, representing James J. Lind, until board members have had a chance to review the material.

Mr. and Mrs. Lind met with Selectmen on November 4, 1986 to discuss the Lind's involvement with the town's Board of Appeals. At that time, Selectmen requested the explanatory letter describing the history of the Lind's litigation with the Appeals Board. A copy went to Town Counsel Donald J. Fleming, who represents the Appeals Board in Court.

Mr. and Mrs. Lind applied in March 1985 for a special permit to subdivide an existing 17,500 square foot parcel on Peases Point with a residential house on it into two lots of 12,500 square feet and 5,000 square feet, and to build a new house on the 12,500 square foot parcel. At the April 18, 1985 Appeals Board hearing, a question was raised concerning the legal authority of the Board to grant the relief in question. The Board voted 3-2 in favor

of the petition - it failed for lack of the four votes required.

Thereafter, the Board did not file a decision until 101 days after the public hearing; thus, under the General Laws, the decision was deemed to have been granted. Mr. and Mrs. Lind then filed an appeal of the late filed decision to secure evidence that they could record in the Registry of Deeds that the special permit had been granted. The Town

vigorously contested the appeal, and filed three sets of interrogatories as well as a discovery motion. A motion by the Linds for summary judgement was declared by the judge and declared that the plaintiff's application for a special permit was allowed by reason of the Board's failure to file a decision within 90 days.

The Town has filed a notice of appeal of the judgement, which will require filing briefs with the Appeals Court and arguing the case in Boston. Mr. and Mrs. Lind are prepared to defend the decision of Judge Byron in the Appeals Court if necessary, but would very much like to avoid this significant expense if at all possible. If there are any conditions or limitations on the Lind's development that might be more acceptable to the Town and could lead to an amicable settlement, the Linds would welcome discussions towards that end, the letter concluded.

WERE NOTIFIED by State Representative John C. Bradford (R) that December 3rd is the deadline for filing legislation for the 1987 legislative year. Although Selectmen noted they have no specific legis-

Selectman Frank Suzan commented on the great job Manuel R. Nunes and his highway department crew have done in cutting brush at the entrance to Industrial Drive off North Street. ANNOUNCED PLANS for the annual Christmas Tree Lighting event to be held at Shipyard Park on Wednesday, December 3rd. The tree will be lighted at 7 p.m., with the Old Hammondtown Band and Chorus accompanying the public in the singing of Christmas carols. Santa Claus will arrive by fire engine at about 7:15 p.m.

Although in past years there has been caroling through the village, this will not be done this year. There will, however, be cookies and punch served on the porch of the Mattapoisett Inn during the caroling at Shipyard Park. Members of the Mattapoisett Woman's Club will bake the cookies.

On Wednesday, November 26th, at about 9:00 a.m., the highway department crew will cut a Christmas tree on the property of Betty Sears, town accountant, for use at the park. It will be erected at about 9:30

YOUR HOUSE WANTS TO SEND YOUR KID TO COLLEGE.

Turn your home equity into cash for any good reason.

Your home is one of the biggest and best investment decisions you've ever made. As its value has increased in recent years, you've built up a substantial amount of equity. Now you can put that equity to good use with a Home Equity Loan or Line of Credit from Fairhaven Savings Bank.

With a Home Equity Loan, you get your money up-front, to use as you wish. With a Home Equity Line of Credit, you can access your money whenever you want, just by writing a check. No matter which account you choose, you'll pay a competitive interest rate.

In as little as 48 hours, we'll process your application for a loan or line of credit from $5,000 to $100,000 (or 75% of the assessed value of your home).

What's more, for a limited time, we'll waive all attorney, appraisal* and application fees for which other banks charge up to $300.

For real convenience, we'll automatically charge your monthly payments to either your Fairhaven Savings NOW Checking, Charter Account or Money Market Statement Account.

Let your house send your kid to college, buy you a boat, meet your needs and fulfill your dreams.

Call 1-999-7000 and ask about a Fairhaven Savings Home Equity Loan or Line of Credit. Or stop into one of our convenient banking centers today!

In addition, a number of other changes will also become effective on

"MAGIC LANTERN SLIDE SHOW"

A "Magic Lantern Slide Show" will take place at the Marion Art Center on December 5th at 7:30 p.m. and again on December 6th at 4:00 p.m. This unique entertainment will be presented by Nydeck Schenck, a collector of antique toys, games and other memorabilia of the 19th century.

The golden age of the magic lantern show came at the end of the 1800s just before moving pictures made them obsolete. Itinerant lanternists traveled about with a big lantern and various shows that depended on the audience; children saw mostly comic effects, and adult audiences tended more to educational and travel effects. Music usually accompanied a show, and Christmas time was the big season for the shows. The important part lantern shows played in the coming of movies, and finally TV, was that they got people used to sitting in the dark in groups to watch moving optical images that often told a story. When movies came in around 1900, a large audience was ready to pay to sit and watch moving images.

This show will include various groups of images relating to the circus, children's games and pastimes, cautionary fables and various optical effects and designs. All the slides date to the 1900 period or earlier and Mr. Schenck's show will attempt to reproduce a Christmas entertainment of the sort typical in England at that time. There will also be a display of toy lanterns and small scale slides used by children to put on their own nursery shows.

Mariner Youth Soccer

ENDS SEASON, REPORTS GROWTH

The fall instructional program of the Mariner Youth Soccer Club ended as it started, with the games on November 8th played in the pouring rain. While some of the on-lookers reported that these last games looked more like mud wrestling than soccer, enthusiasm and energy were the words of the day. Coaches and parents reported being very pleased with the season, noting both a gratifying overall increase in the numbers enrolled (541 this year, up approximately 15% from last year) and a marked improvement in playing skills. Players remained enthusiastic to the end. They doggedly came to weekday practices that were necessarily held at dusk and into the dark after Daylight Savings Time, and to Saturday games where the temperatures were decidedly brisk.

Several teams continued playing at post season invitational games. The boys' teams fielded four select teams, one each in the under 10, under 12, under 14, and under 16 age groups at the Tiverton Tournament in Tiverton, Rhode Island on Novem-

Honorable Mayor John K. Bullard joined the Museum incorporators in "burning the mortgage". The traditional ceremony marked the end of a mortgage loan and a beginning of a new era for the Rotch-Jones-Duff House. Funds raised from the Capital Campaign were used to eliminate the mortgage debt. Retiring Museum President Anne B. Brengle cited the efforts of the Mayor, WHALE, Mrs. Sarah R. DOUBLE WHAMMY THRILLER

"The Butler Did It", a comedy-thriller, will be the next production at Theatre One, Route 105, North Main Street (Grange Hall) in Middleboro. "Butler" opens December 4th and continues its run December 5-6 and December 11, 12, 13 and 18, 19 and 20.

"The Butler Did It" has been described as the off-Broadway equivalent of "Deathtrap". This deft and diabolically clever thriller mingles laughter and chills as it skillfully unwinds its twisted tale of murder and mayhem in the glittering world of the theatre.

The story centers on a writer/director, who is rehearsing his new play, from which he hopes to regain the success he once had. He has de-

Coming to Zeiterion:

"A CHRISTMAS CAROL"

The true "Spirit of Christmas" returns to New Bedford when Silverstein's Family Clothing Store presents Charles Dickens' beloved tale "A CHRISTMAS CAROL" at the Zeiterion Theatre. This colorful holiday classic will be presented Saturday, December 6th, at 4:00 and 8:00 p.m. Tickets are priced at $13.50, $11.50, or $9.50, with a $2.00 discount for senior citizens and students.

Once again, the widely acclaimed Nebraska Theatre Caravan will bring this story to life on our stage. This spirited company of 36 professionals presents a detailed and lavish re-creation of the story of how Ebeneezer Scrooge is convinced to change his miserly ways.

Scrooge sees the error of his ways through the help of special characters from the chain-rattling, bone-chilling ghost of Scrooge's long-deceased business partner, Jacob Mar-

ley, to frail Tiny Tim, the son of Scrooge's long-suffering employee, Bob Cratchit. Also helping the story come to life are such vivid special effects as a 16-foot ghost and Scrooge's magical bed, a contraption that careens from one side of the stage to the other seemingly by itself.

"A Christmas Carol", as presented by the Nebraska Theatre Caravan, is a delightful and spirited time machine that takes us back to relive the Christmas charm of the 1800s.

Christmas in Olde Sandwich

The 5th annual celebration of Christmas in Olde Sandwich Village will be held from December 5th through December 14th. Many special events and exhibits are being sponsored by Sandwich churches, museums, shops, schools and the Public Library. A community caroling procession led by Town Crier James Mancusi on Friday, December 5th, at 6:00 p.m. will begin at the Thornton W. Burgess Open House on Water Street. Carolers will proceed up the street to School Street. Residents will light up their houses along the way. The singers will stop briefly at Jarves Street for the lighting of the Town lights, then continue to the library for the lighting of the Christmas tree. Directly across the street the Dan'l Webster Inn will hold an outdoor reception and small school band concert.

This year's celebration promises to be bigger and better than ever. Christmas events run the gamut from the unique to the traditional. For example: Mr. and Mrs. Santa Claus will arrive at the Dan'l Webster Inn in a London Taxi owned by Heritage Plantation on Saturday, December 6th, in time for breakfast. Corpus Christi will host a children's choir concert outside on the church steps
